

Overview of the My Organisation section

Task card

This task card discusses the following:

- [Access to 'My Organisation'](#)
- [Manage organisation](#)
- [Manage users](#)
- [Reference data](#)
- [Upload files](#)
- [Manage action items](#)

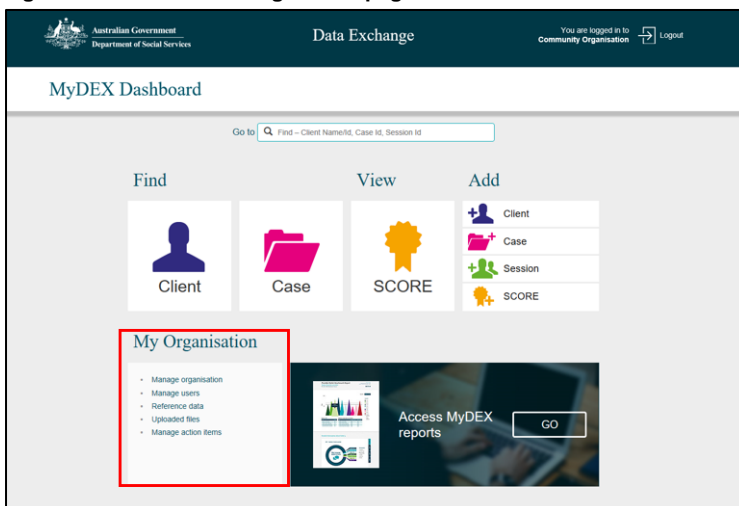

KEY HIGHLIGHTS

- The My Organisation section is only accessible by the organisation's Data Exchange Organisation Administrator.
- The Reference data and Uploaded file sections is only relevant for those organisations that perform bulk file uploads into the Data Exchange.

Access to My Organisation

Access to the **My Organisation** section of the Data Exchange can be located on the home page. Refer Figure 1.

Figure 1- The Data Exchange home page

There are five links in the **My Organisation** section that a Data Exchange Org Administrator can select. ..

1. Manage organisation
2. Manage users
3. Reference data
4. Uploaded files
5. Manage action items

Manage organisation

Select **Manage organisation** under the **My Organisation** heading. Refer Figure 2.

Figure 2 - Manage organisation link

The **Manage organisation** screen will display detailing the following information. Refer Figure 3:

1. Edit organisation details button
2. Organisation details section
3. Outlets listing
4. Add outlet button
5. Pagination function
6. Program activities listing
7. Notifications area

Figure 3 - Manage organisation screen

The screenshot shows the 'Manage organisation' screen in the Data Exchange system. The page is titled 'Manage organisation' and includes a search bar at the top. The main content area is divided into several sections, each highlighted with a red box and a number:

- 1**: 'EDIT ORGANISATION DETAILS' button
- 2**: 'Organisation Details' section, showing information such as 'Preferred organisation name: Community Organisation', 'ASBN: 11223344556', and 'Source Organisation ID: DEX-000012'.
- 3**: 'Outlets (1)' section, showing a table with columns for Name, Address, State, Program activity, and Created Date. One outlet is listed: 'Box Community Centre' at '71 Addison Dr GREENWAY ACT 2900'.
- 4**: '+ ADD OUTLET' button
- 5**: Pagination controls, including 'Previous', '1', '2', '3', '4', 'Next', and '5'.
- 6**: 'Program activities (10)' section, showing a table with columns for Program activity, Start date, End date, Status, and Notification. Activities listed include 'Childrens Contact Services', 'Commonwealth Financial Counselling and Financial Capability', 'Community and Home Support', 'Family Dispute Resolution', 'Family Law Counselling', 'Family Relationship Centres', 'I.C. - Individual Capacity Building', 'Intercare Family Support Services', 'Reconnect', and 'Settlement Grants'.
- 7**: Notification area, showing a 'Show All' checkbox and a list of notification icons.

Table 1 - Field descriptions for the Manage organisations screen (Refer Figure 3)

FIELD	DESCRIPTION
Edit Organisation Details	Select this button if you need to update your organisations details, including preferred name and participation in the partnership approach. Refer to the Create and manage outlets task card for more information.
Organisation Details	This area displays a general overview of your organisation and its ID details.
Outlets	This area lists all outlets associated with your organisation. If you are a first time user, no outlets will be listed. You will need to add your outlets.
Add Outlet	Select this button if you need to add an outlet. For instructions on how to add an outlet, please access the Create and manage outlets task card.
Pagination function	Should your organisation have multiple outlets and/or program activities, the information will automatically paginate. Use the numbered pages or Next button to move through the pagination function.
Program activities	This area lists all program activities that your organisation has been funded to deliver.
Notifications area	This area will display a bell icon to advise that a handshake request has been issued / received. This area is for Lead and Delivery organisations. Refer to the Handshake – Create, accept or revoke task card for more information.

Manage Users

Select **Manage users** under the **My Organisation** heading. Refer Figure 4.

Figure 4 – Manage users link

The **Manage users** screen will display. Refer Figure 5.

Figure 5 - Manage users screen

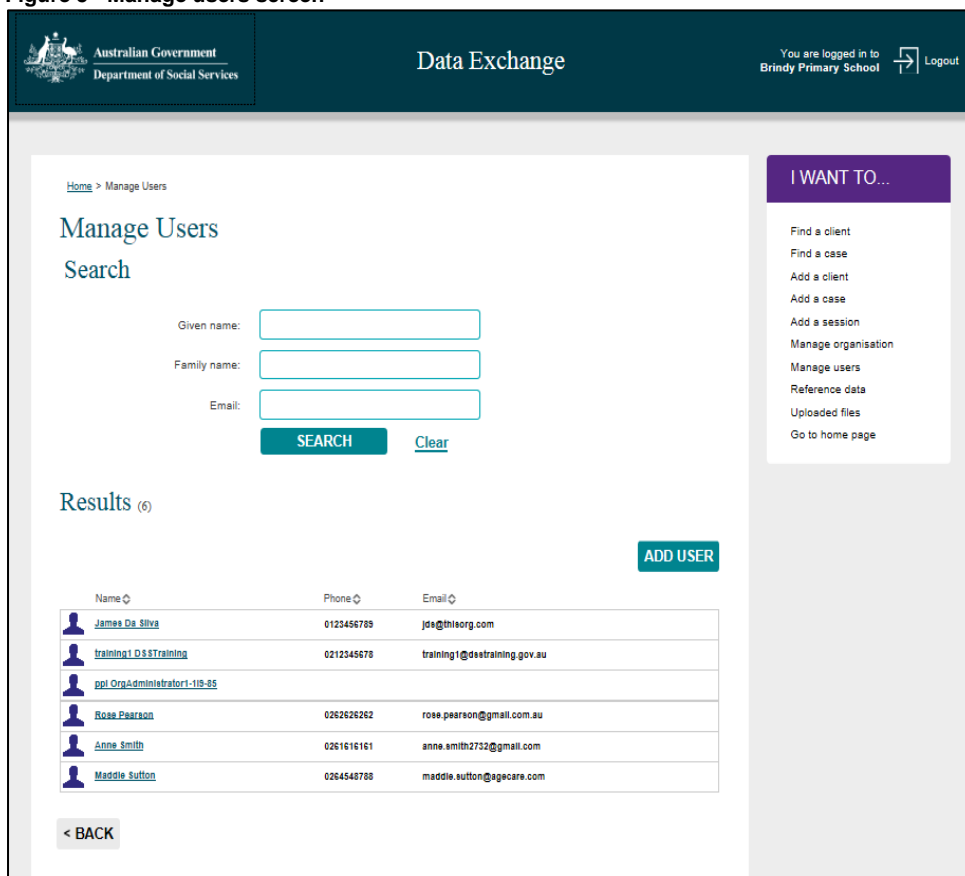

Table 2 - Field descriptions for the Manage users screen (Refer Figure 5)

FIELD	DESCRIPTION
Search	Search for existing users. This is especially useful for organisations that have large numbers of users.
Results	This area will display a list of already registered existing users within your organisation.
Add User	Select this button if you need to add a new user. Refer to the Add and edit a user task card for instructions on how to add a new user.

Reference Data

The Reference data section is **only** for those organisations that perform bulk uploads into the Data Exchange. Files that contain all the Data Exchange codes can be downloaded through **Reference data**.

Select **Reference data** under the **My Organisation** heading. Refer Figure 6.

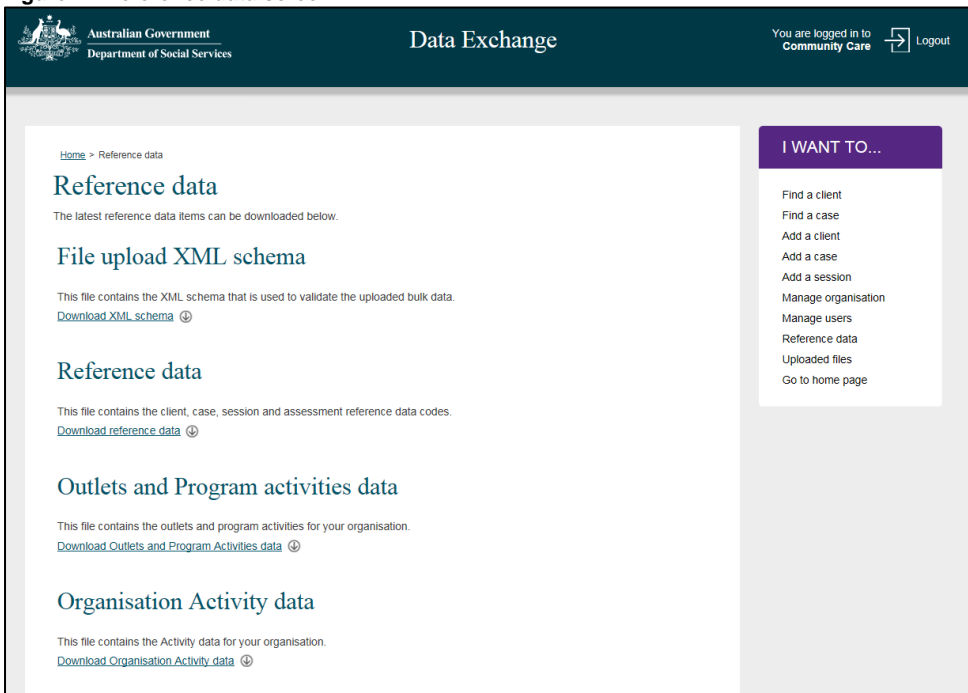

Figure 6 - Reference data link

The **Reference data** screen will display. Refer Figure 7.

From this screen you can download the XML schema, Outlet and Program activity references, and Organisation Activity data. We recommend these files are downloaded at least every three months.

Figure 7 - Reference data screen

Uploaded files

The **Uploaded files** section is **only** for those organisations that perform bulk uploads into the Data Exchange. Select **Uploaded files** under the **My organisation** heading. Refer Figure 8.

Figure 8 - Uploaded files link

The **Uploaded files** screen will display. Refer Figure 9.

Figure 9 - Uploaded files screen

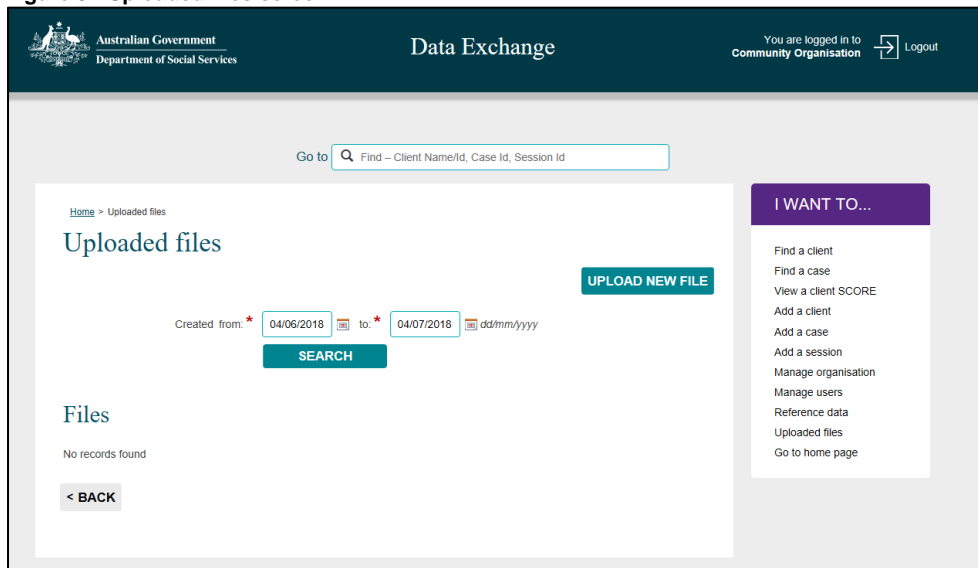

Table 3 - Field descriptions for the Uploaded files screen (Refer Figure 9)

FIELD	DESCRIPTION
Upload new file	Select this button to upload an XML file containing bulk client, case and session data.
Search	Search for files that have previously been uploaded. Use the calendar function to enter the dates.
Files	This section will display the files that have been located using the Search functionality on this page.

Manage action items

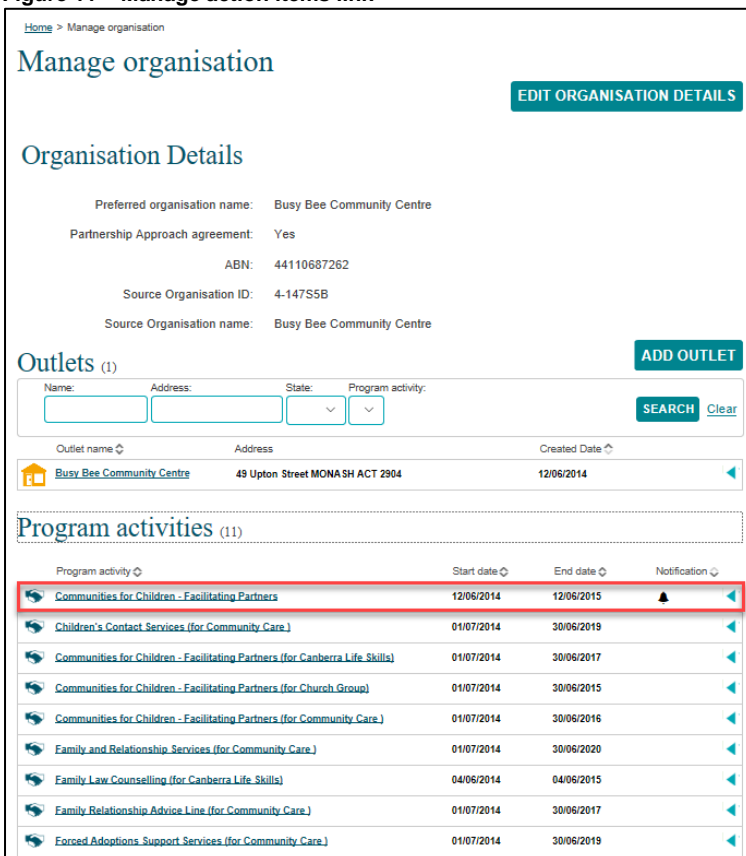

Select **Manage action items** under the My Organisation heading. Refer Figure 10.

Figure 10 – Manage action items link

The **Manage action items** section will alert an organisation if a handshake request has been received and requires actioning. Refer Figure 11.

Figure 11 – Manage action items link

More information on handshakes can be found in the [Handshake - Create, accept or revoke](#) task card.

More information on the Data Exchange can be found in the [Data Exchange Protocols](#) and the [Training resources](#) tab.

For technical support; contact the Data Exchange Helpdesk by email dssdataexchange.helpdesk@dss.gov.au or on 1800 020 283 between 08.30am - 5.30pm (AEST/AEDT) Monday to Friday.
